Mr. Leslie T. Rogers
Regional Administrator
Federal Transit Administration
201 Mission Street, Suite 1650
San Francisco, CA 94105

Attention: Ms. Sue Kiser

Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the Shasta County Regional Transportation Planning Agency (Shasta RTPA) 2008/09-2011/12 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
17	Federal, Local, and State Element <ul style="list-style-type: none">• This amendment modifies various projects from various funding programs in Shasta County. The amendment includes projects with funding from the Highway Safety Improvement Program, Highway Maintenance, and the State Highway Operations and Protection Program.• Only projects in this amendment are recommended for approval. Jobs for Main Street Act of 2010 (STIM 2) funding in this Financial Summary is not included as part of the recommendation. Please see Shasta RTPA's letter referring to STIM 2 Funds.

See enclosure.

Shasta RTPA has certified that the amendment is financially constrained and meets the requirements of public involvement procedures adopted by Shasta RTPA.

Pursuant to the authority delegated to me, I approve Shasta RTPA's Amendment No.17. I also recommend that Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2009 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only.

Mr. Walter C. Waidelich Jr./Mr. Leslie T. Rogers
March 26, 2010

Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Please address any questions on this FSTIP approval request to Jody Tian of my staff, at (916) 654-2853.

Sincerely,

RACHEL FALSETTI
Chief
Division of Transportation Programming
